

Aftercare services

**INVESTIN
SPAIN**

Is your company already established in Spain?

Our Aftercare department will continue to support your investment

What we offer

- Free, confidential and public service**
We are dedicated to supporting foreign companies already established in Spain. Our goal is to help you strengthen your presence, overcome challenges, and identify new business opportunities.
- Active listening and tailor-made solutions**
We take the time to understand your specific needs in order to provide personalized, effective solutions.
- Direct dialogue with the government**
We serve as a single point of contact for national, regional, and local public institutions.
- National and international support network**
We work in close collaboration with Spain's Regional Development Agencies and our network of 105 Economic and Commercial Offices around the world.

Our Services

Administrative guidance

We facilitate the interaction with public administrations for:

- Resolving incidents and handling administrative procedures.
- Providing support with certifications, customs processes, and regulatory compliance.
- Coordinating bureaucratic and logistical processes.

Operational support

We support the consolidation and growth of your investment in the Spanish market:

- Providing up-to-date information on taxation, legislation, and the supporting the search for new business locations.
- Facilitating access to talent through ICEX programs.
- Connecting you with the local ecosystem and strategic suppliers (ICEX Source from Spain).
- Offering guidance on public funding and reinvestment incentives.

Strategic advisory

We work closely with your headquarters to support strategic decisions that impact your subsidiary in Spain:

- Monitoring the business climate and regulatory developments.
- Advocating for improvements to the business environment.
- Identifying new investment opportunities.
- Providing specialized sector-specific advice.
- Facilitating access to public and private networks.
- Supporting internationalization to position your Spanish subsidiary as a business global platform.
