SPAIN

R&D in Spain

Favorable tax regime.

Spain's advantageous tax regime for R&D&i is highly valued by multinationals when relocating their research and development activities here. (Barometer of the Business Climate in Spain).

Contribution of foreign companies.

"Multinational companies contribute to the **industrialization of the country** and invest heavily in the creation of centers of excellence and innovation; they are responsible for **38.4% of the investment** in R&D&i in Spain.

Quality of proposals developed in Spain.

Spain ranks fourth among EU countries in European funding received for innovation projects. (2020 horizon).

Progress in R&D.

Since 2016 Spain has enjoyed continuous growth in investment in R&D. (National Statistics Institute).
