

# Spain for **Agri-food Industry**

**INVESTIN**  
SPAIN

# Why Spain for *Agri-food Industry?*

- ✓ Fourth largest agri-food power in Europe and tenth largest in the world.
- ✓ European leader in agricultural land devoted to organic farming.
- ✓ Spain is the leading European producer of fruit and vegetables, olive oil and it has the biggest fishing industry.
- ✓ Access to an abundance of top-quality raw materials.

Spain is the second largest among European Union countries in terms of its arable farmland and its agricultural production is extensive and diverse.
- ✓ Fourth largest exporter in the EU and seventh largest in the world
- ✓ Digital Transformation. The industry is embarking on a more efficient and sustainable agri-food system throughout the value chain, supported by government and regional agencies and European aid.

## Facts & Figures

---

### A powerful and resilient industry
