The Instructing Body, based on the report from the Evaluation Committee held the 9th June, has elaborated a Provisional Resolution concerning the call 2020 pursuant to the provisions of article nine of that notice:

1. Provisional Eligible Project List (appendix I): the projects included on this list will receive an individual communication detailing the procedure to accept the aid.

2. The projects included on the Provisional Ineligible Project List (appendix II), despite having met the requirements and exceeded the minimum threshold established by the assessment criteria of the call, have not been included due to regional or global budget constraints. In the case that any of the beneficiaries of provisional list renounce their aid, assistance may be granted to the applicant or applicants next in line in the list of ineligible projects.

3. Provisional Unapproved Project List (appendix III) for not having met the minimum points awarded.

The projects included in the previous lists will be given a period -until 1st July- to submit allegations to the following email address financiacion.investinspain@icex.es
